Walther Saavedra

Madrid, Spain · linkedin.com/in/walther-saavedra · +34 673 51 42 35· saavedra.mateo.walter@gmail.com

Software developer with experience in backend (Spring Boot Java / Kotlin) and frontend with React, as well as Android mobile applications with Kotlin. I led the development of the Web Workshops GR, with a focus on clean UI / UX and efficient communication. I seek to bring commitment, continuous improvement and quality in development.

PROFESSIONAL EXPERIENCE

Panel Sistemas Informáticos   **Madrid, Spain**
Backend Development Intern   *March 2025–June 2025*

- Participated in the backend development of legacy systems using Java, integrating new features safely and efficiently.
- Conducted SOAP API testing on critical systems, automating functional tests with Selenium to accelerate validation.
- Analyzed and monitored large volumes of data using Elasticsearch, Kibana, and Logstash to optimize performance and detect issues.
- Worked in Red Hat Linux-based environments, conducting package and service verification tests with Goss within the AltamirA project (a collaboration with Telefónica and Ericsson).
- Collaborated in CI/CD practices and quality control, gaining an understanding of tools and methodologies used in large-scale projects.

PERSONAL PROJECTS

Talleres GR   **Madrid, Spain**
FullStack Freelance Developer   *March 2025–April 2025*

- Designed and implemented a static website optimized for an automotive workshop, improving user experience and reducing customer-to-workshop contact time by 30%.
- Developed the FrontEnd using HTML, CSS, JavaScript, and dynamic animations with ScrollReveal for a more engaging navigation experience.
- Integrated a contact system via EmailJS, enabling direct email sending from the frontend.
- Enhanced UI/UX design, ensuring a clean, responsive, and mobile-friendly approach, increasing user interaction rates.

EDUCATION

IES Francisco de Quevedo   **Madrid, Spain**
Social Sciences Baccalaureate   *May 2023*

IES Francisco de Quevedo   **Madrid, Spain**
Cross-Platform App Development   *May 2025*

ADDITIONAL SKILLS

- **Languages**: Native Spanish, fluent English (Cambridge B2 certified), and fluent conversational Portuguese.
- **Soft Skills**: Proactivity, continuous learning, results orientation, and high technological adaptability.
